Split/OA Positions (based on final split duration, which may include penalties applied):
OA (column 1): This is your open position across all finishing competitors, both male and female
OA-Gndr (column 2): This is your position across all finishing competitors of your gender

into a race has been granted by the race organiser where a 'lower age' category competitor has been permitted to compete in a higher age category race, otherwise OA and BTF will be the same.

- BTF-Ctgy - Both (column 3): Your position, both male and female, for your specific BTF age category. nb: prize categories are likely to be differently specified
- BTF-Ctgy - Gndr (column 4): Your position for your gender and your specific BTF age category. nb: prize categories are likely to be differently specified
 seconds rounding" the OA time may not always be an exact summation of each of the section split times. This is not an error.
